Café Selmarie Announces Renovation Project

Lincoln Square café marks its 35th year in business with a major aesthetic rehab starting April 1st.

Chicago, IL. – March 09, 2018 – Café Selmarie, long-standing destination for contemporary dining in Lincoln Square, announces a renovation project to begin April 1st, 2018. These are the first major changes made to the look of the café since its most recent expansion in 1999. Plans include new cabinetry and countertops for the front bakery counter, lighting, floors and a fresh color scheme throughout.

“These are plans that Jeanne and I had talked about for years,” said Café Selmarie owner, Birgit Kobayashi. “With our 35th anniversary happening this year, it seemed like the time was right.” Kobayashi added.

Café Selmarie will be closed for the renovation starting after brunch on Sunday, April 1st through Monday, April 9th. The café will reopen to the public for the big reveal at 8:00am Tuesday, April 10th. For more information about Café Selmarie visit www.cafeselmairie.com or call 773-989-5595.
